

Sudden Cardiac Arrest- Required Certification Instructions

1. You will need a computer with internet, video and sound capabilities.
Go to <https://www.sportsafety.com>
2. Register to use website by clicking on CardiacWise, then Sign Up or use previously registered info.
3. After registering sign in to the website and click on Catalog (if the course is not already in “My Courses”:
 - a. Find “CardiacWise” in the Catalog
 - b. Then click purchase (Free course but must purchase so it is added to your courses)
4. Go to Your Dashboard (drop down menu to the right of your name)
 - a. Click on “My Courses”
 - b. Open Course.
5. After watching the video, it will instruct you to take the post-test.
6. After the post test you will be able to open your certificate.
7. Either Email a copy of the certificate or provide a hard copy before practices begin.
 - a. If you plan on providing a hard copy, let me know that it is completed!

Submit certificate to:
